

Global Wealth
Exchange Limited

About Us

WHO WE ARE

Global Wealth Exchange Limited was founded in 2016 by its Chief Investment Officer and Chairman, CLODE, Simon David, is a globally-focused fund manager that manages money on behalf of private clients, the clients of financial advisers and institutions.

We are globally recognised, award-winning financial firm including the Zenith Fund Awards 2021 - International Equities - Alternative Strategies, and Lonsec / Money Management Global Long/ Short Equities Fund Manager of the Year 2020

COMPANY VALUE

Our team members are very experienced in traditional investment and cryptofinance. Unrivalled analytic and research crypto capabilities. Also, 24/7 Support team always online!

OUR MISSION

There are no limit to how financially free you could become, we are accessible world over. your return on investment is guaranteed and profitable with us.

OUR VISION

to be globally relevant across the word and bring profitable earnings to our clients

We Are Consulting

Global wealth ensures that you never miss out on a trading opportunity with a fully functional mobile site that has all of the features of the desktop so you can easily trade currencies, commodities, stocks and indices, wherever you are, whenever you desire. Just simply type Apexsmartvantage.com into the web browser of your iPhone, Android or tablet device, log into your Apexsmartvantage account and start trading immediately.

What We Do

We Welcome you to join this platform where We provide opportunities for clients to invest alongside our investment team in GWE-managed packages..

Global Wealth Exchange has managed to create our own niche in the investment industry and established ourselves as a force to be reckoned with. Providing our highly esteemed clients with top-notch investment solutions that cater directly to their needs

We believe in always acting and investing independently, with integrity and in the best interests of our co-investors - even if that means respectfully disagreeing with the rest of the market.

Simon David
CEO, Global Wealth

Why People Choose Us

DIVERSIFIED OPPORTUNITIES

Our co-investors receive access to a unique subset of opportunities to which they would otherwise find difficult to access.

DEDICATED TEAM

The Company's process has been shown to be effective by producing attractive long term capital growth.

24/7 SUPPORT

We offer 24/7 support to our esteemed clients

WE ARE AVAILABLE WORLDWIDE

We have an authentic investment process where our exposure to industry sectors, geographic regions or market capitalisation is determined solely by our conviction in the risk/ reward opportunities that we identify within portfolio guidelines. No conviction = no investment.

Investing is just one part of your financial picture. So, we've introduced more ways to reach your goals and manage your money. High interest savings. Commission-free trading. And features — like automatically investing your spare change — that make it easier to save for your future. That's because we believe that everyone should have access to the tools they need to make smart financial choices.
